Wayland Academy
presents the
Action of 1967

THE FOUR THINGS

Henry Van Dyke

Four things a man must learn to do,
If he would make his record true:
To think without confusion clearly,
To act from honest motives purely,
To trust in God and Heaven securely.

These "four things" have been
popularly ascribed to the symbol-
ism of the four pillars of Wayland
Hall.

Three men with one mind

Remember when it looked like this?

Eve

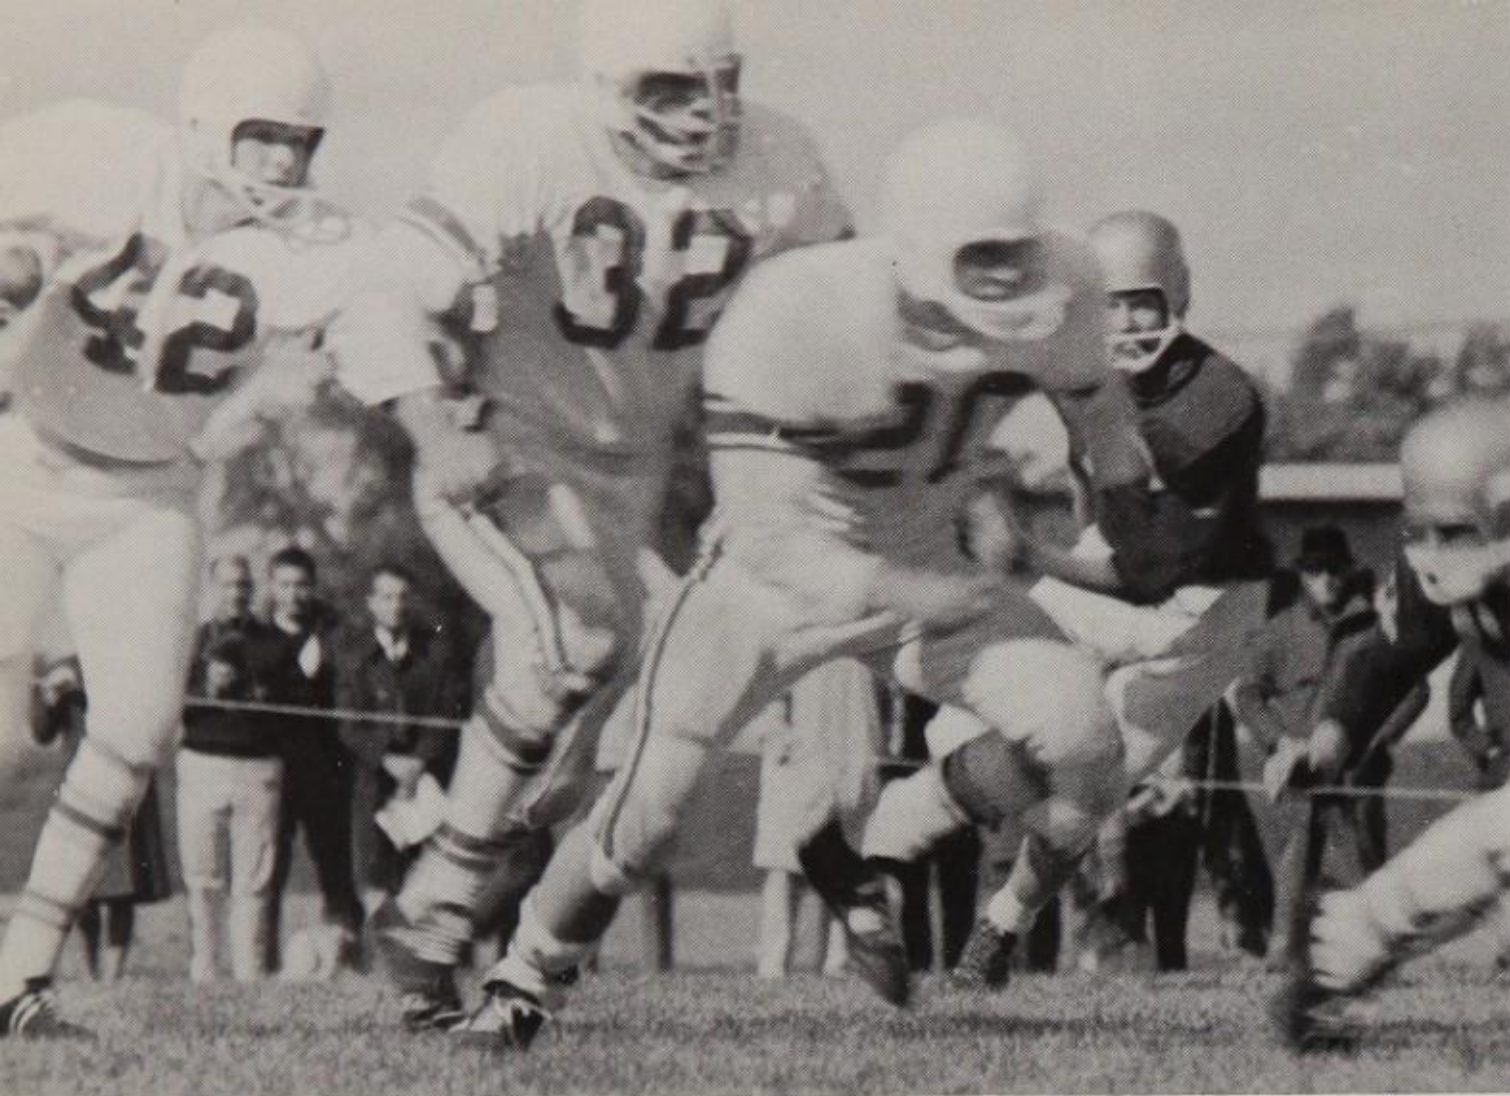

Four out of every five . . .

We came out of summer
to be caught up in our
experiences at Wayland.
Friendships made,
Knowledge gained,
minds stimulated;
these were the results
of 1966-1967.

Here comes the third bus and it even has wheels

Please I'd rather do it myself

The Three Musketeers

Up for the kick-off

The caped crusader strikes again

Who laid the egg?

Where to?

Pam moves in for the kill

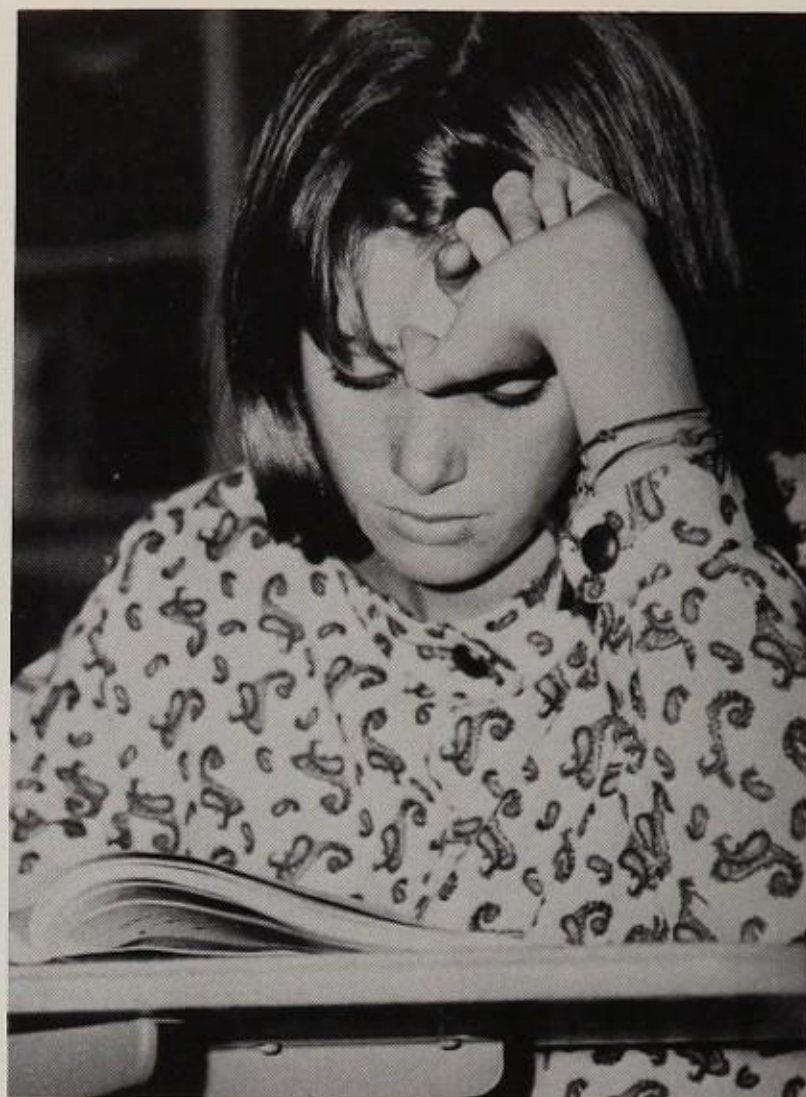

To dream the impossible dream,
to fight the unbeatable foe,
and to stop dreaming or
fighting—this is man's privilege
and the only life worth living.

—Cervantes

High ho, High ho, it's off to work we go

“To love his fellow man sincerely
To act from honest motives purely . . .”

Hey! Check out Kitsy's Fresca!

Eenie, meenie, minee, mo—

“To trust in God and Heaven securely.”

REV. MR. TOWNER

Mr. Towner, Wayland's new chaplain, is filling the newly established Pako-Dye Chair-of Religion in Education. He comes to us from Palo Alto, California; where he was minister of the First Baptist Church of Palo Alto. Besides his chapel duties, Mr. Towner is teaching a course on moral philosophy and leading a Sunday night Religion discussion group. He holds degrees from Hamilton College, Colgate Rochester Divinity School, and the Union Theological Seminary.

The Wayland students find his sophisticated approach to religion refreshing and his diverse knowledge stimulating.

RAYMOND PATTERSON
HEADMASTER

Mr. Patterson, a Wayland graduate, joined the Wayland faculty in 1949 and became Headmaster in 1954. He received his B.A. and M.A. degrees in education from the University of Wisconsin. Under his outstanding leadership the Wayland campus has seen many advances. Most recent of these include the chaplain's new residence, which will soon be expanded into a dormitory; the field house on South Campus; and the module system put into effect at Wayland for the first time this year.

A competent Headmaster, Mr. Patterson is also a respected and trusted counselor.

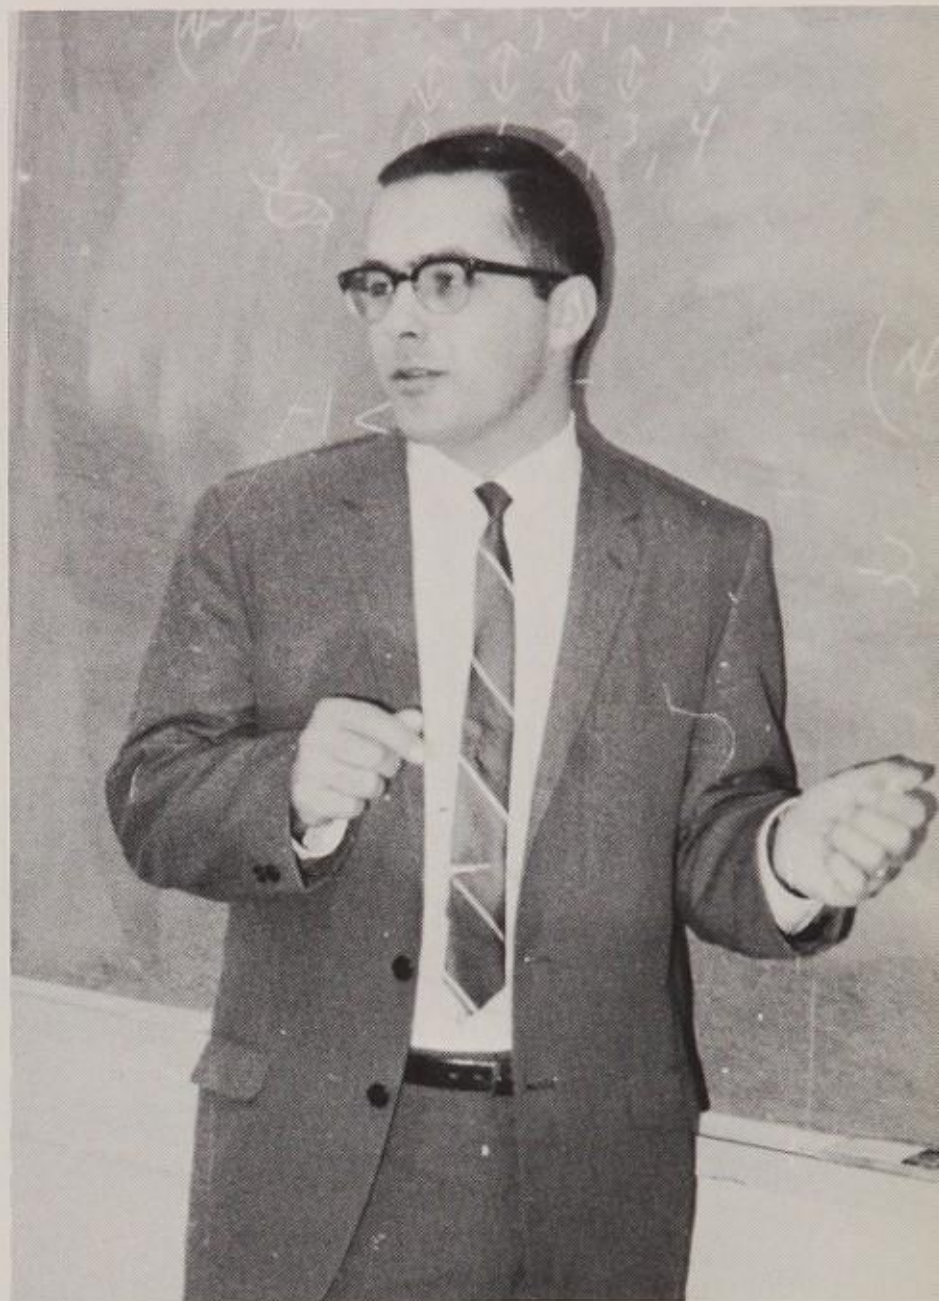

Fred E. Klaisner
Dean of Students

Richard N. Boya
Assistant Headmaster

Fred Schlicher
Curriculum Coordinator

ADMINISTRATION

Wayland's Administration is on the go again this year. Richard Boya, assistant headmaster and Director of Public Relations has moved into Dye Dorm with his family. Acting also as varsity football coach, Mr. Boya has a full schedule to keep him busy. Mr. Klaisner is resuming his responsibilities as Dean of Students for the second year. Mr. Klaisner, too, has taken a new home with his family, assuming the responsibility as Head of Wayland Hall. Mr. Schlicher, Curriculum Coordinator, had a busy summer working out the new module system. This rather complex system has worked quite well providing time for hour and a half sessions in English, sciences, histories, and speech. Mr. Schlicher is also head of the math department and teaches second and fourth year math.

Mrs. Fierke

William Clark

THE ENGLISH DEPARTMENT

We all have missed having Mr. Proctor, head of the English department, on campus this year. In spite of his absence, however, English classes must go on, and Mr. Clark, Mr. Sehloff, Mrs. Fierke, Miss Swan, Mrs. Pihlstrom, and Mrs. Mickey have seen to it that they do. Mr. Clark also finds time for writing and directing plays, as well as teaching speech. Mr. Sehloff teaches journalism and heads the publications organization. Mrs. Mickey, a dynamic addition to our faculty, coaches field hockey and gives a lot of homework.

Jean Craven Mickey

Ellen Pihlstrom

Vernon Schloff

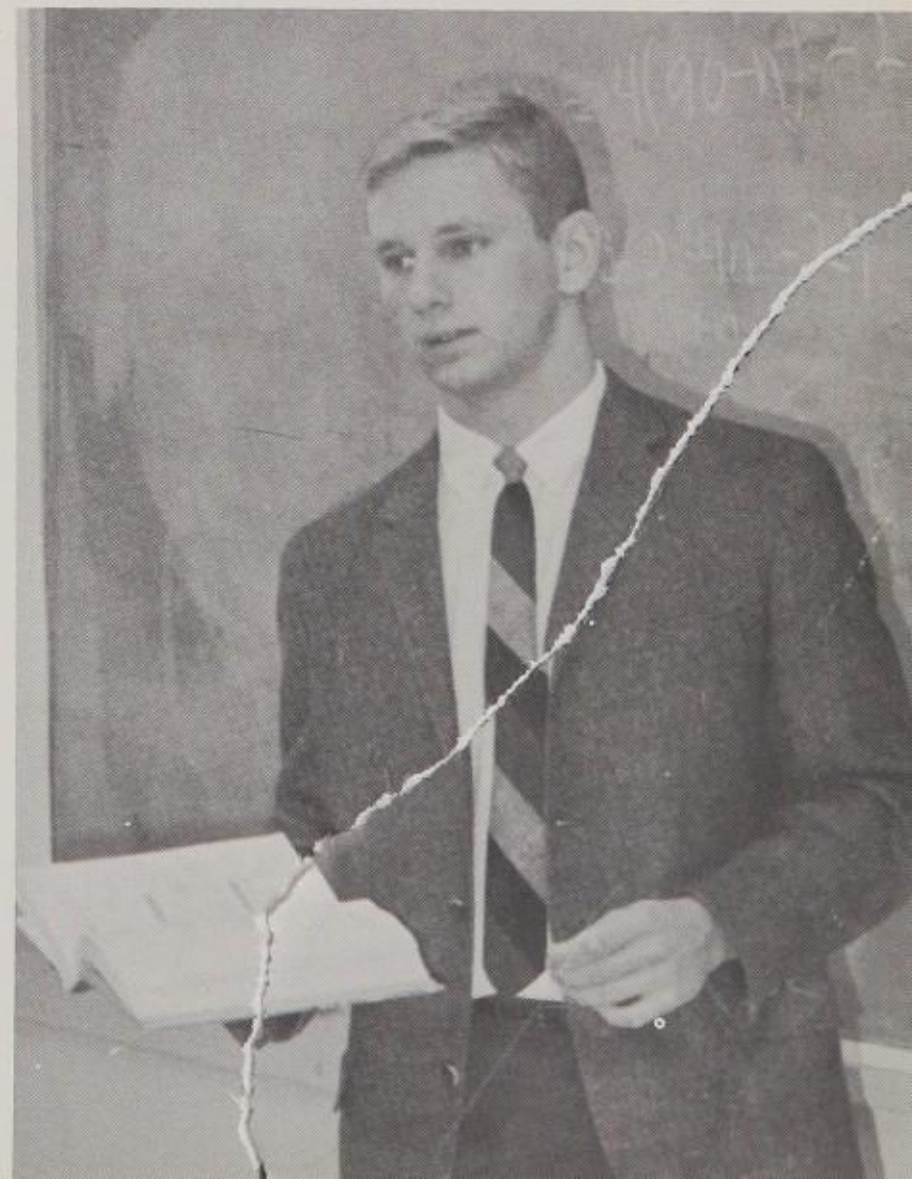

Mary Swan

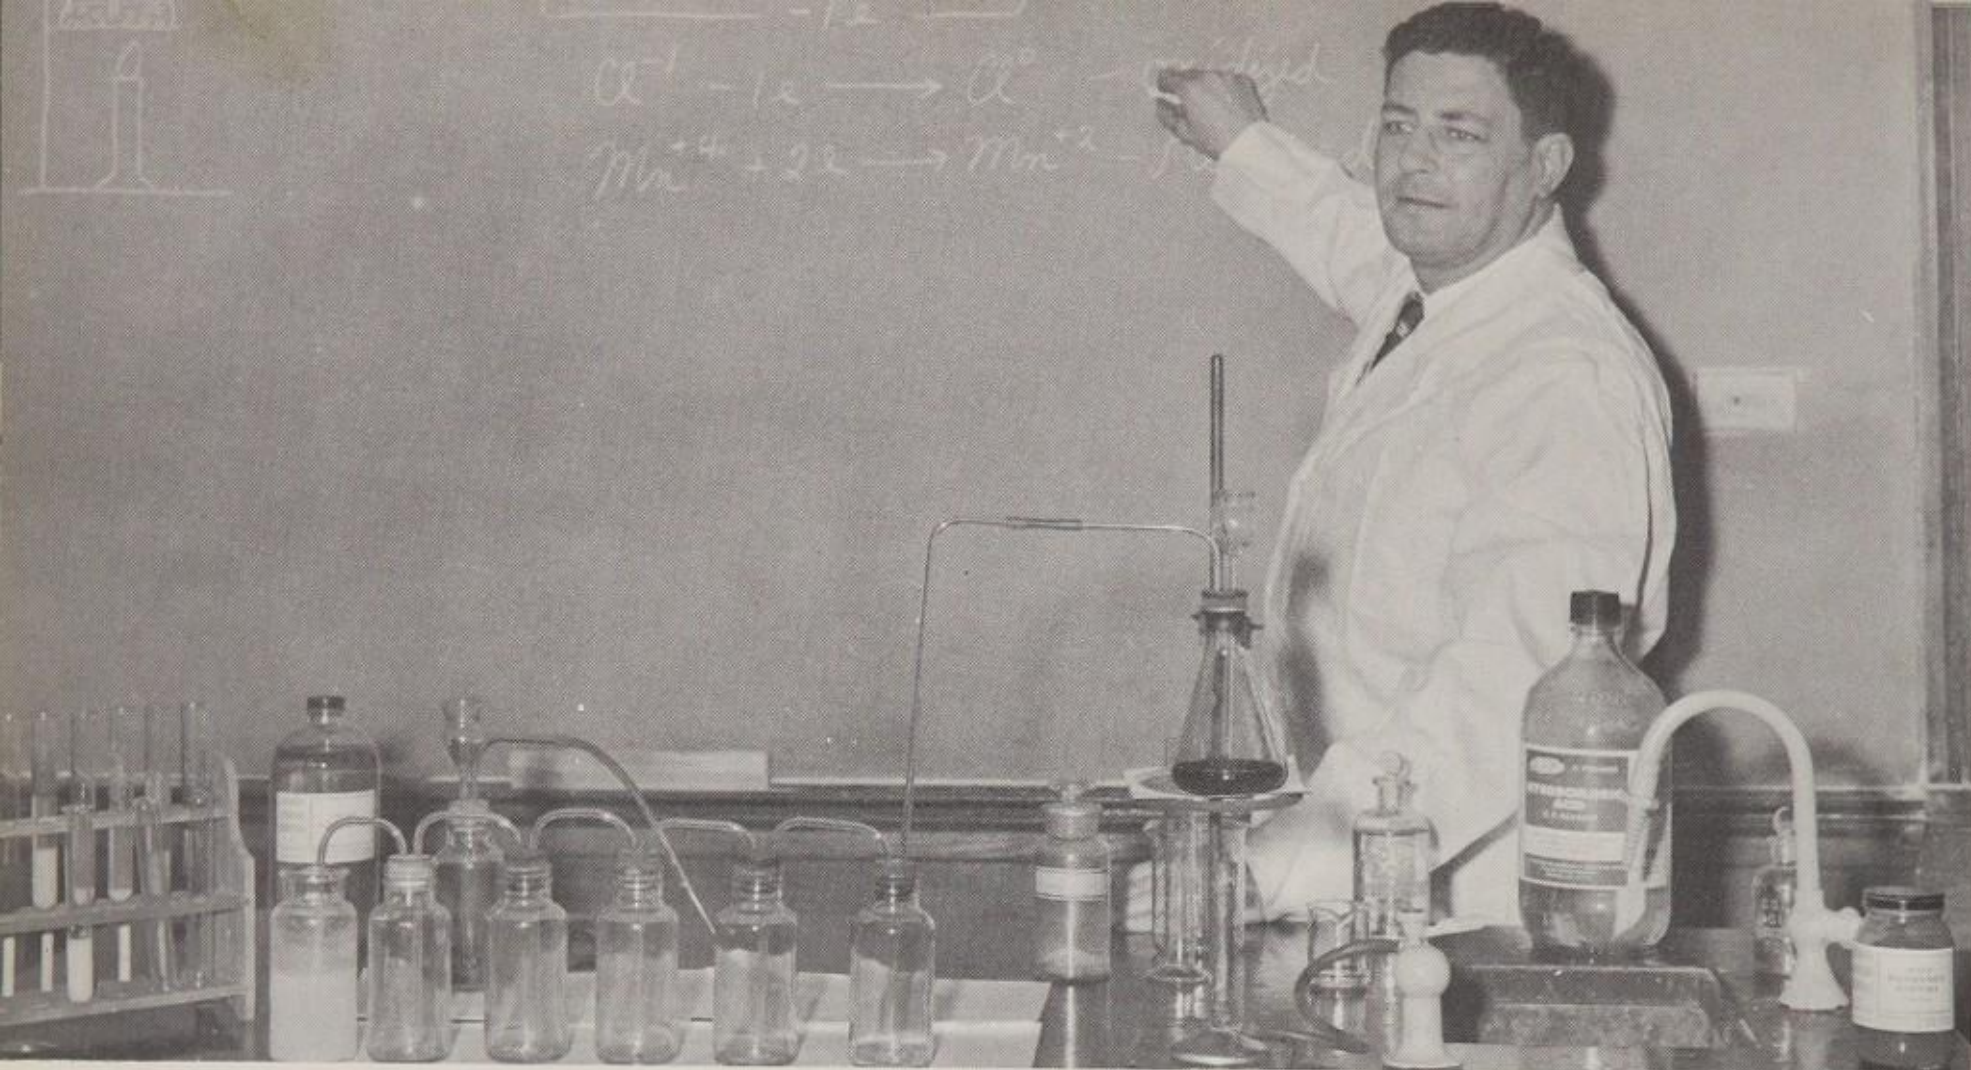

THE MATHEMATICS DEPARTMENT

Mr. Smith and Mr. Clay, two additions to the faculty this year, teach freshmen and junior math courses. Mr. Hansen has a freshman class, also. Mr. Schlicher, along with being curriculum co-ordinator and department head, is in charge of sophomore and senior math courses.

John G. Clay

Judson Smith

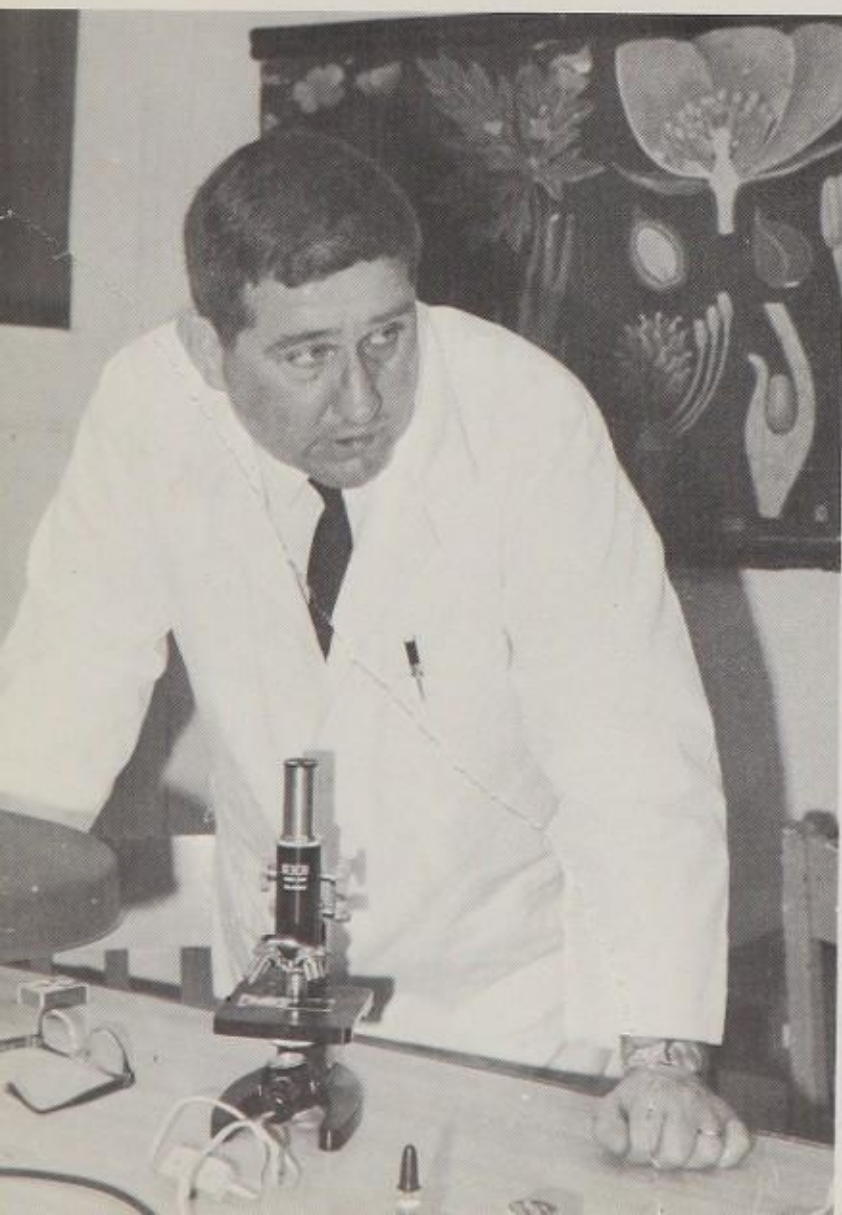

Richard Holstein

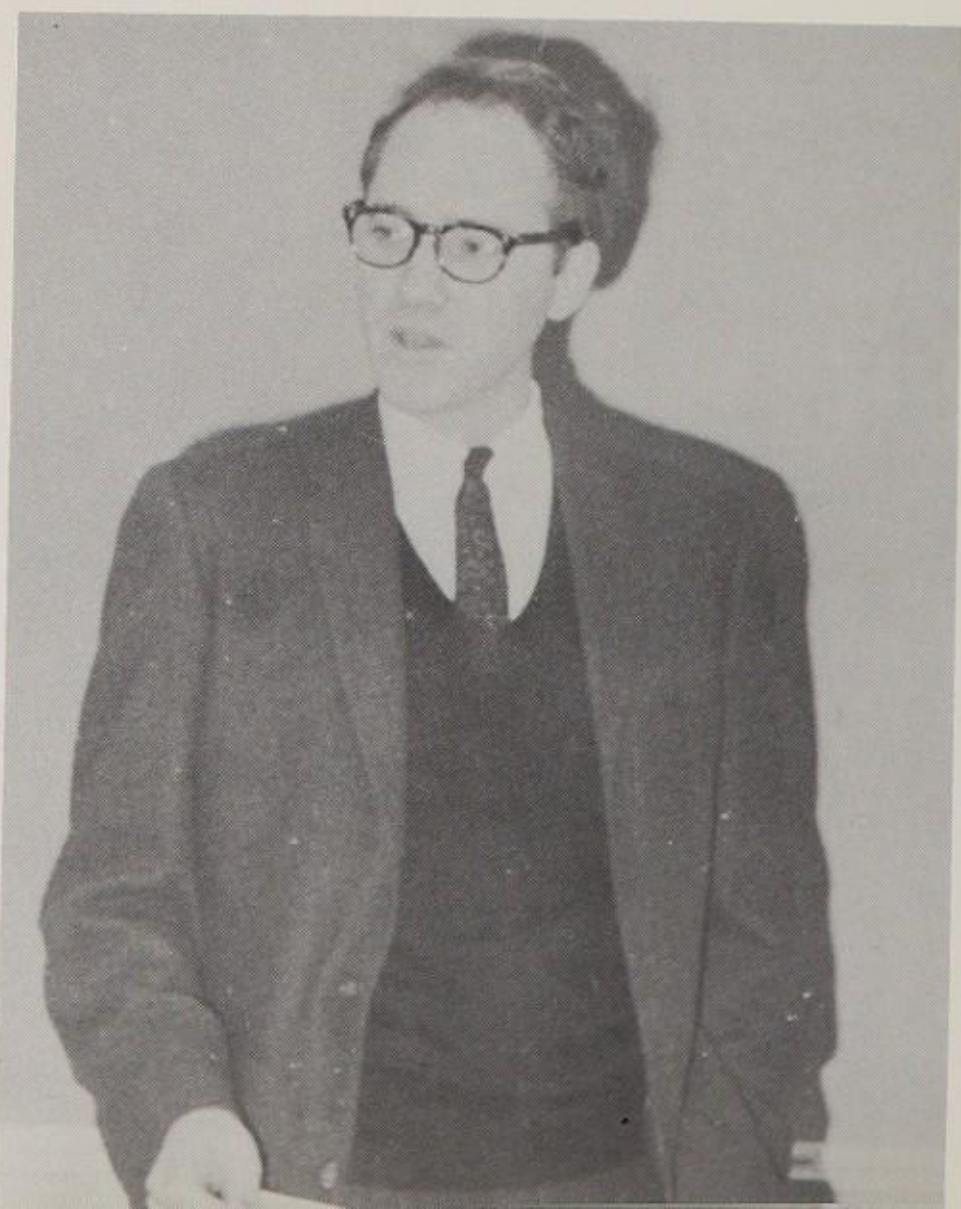

THE SCIENCE DEPARTMENT

The words for the science department this year are "new approach." Mr. Hansgen has returned from a year's sabbatical leave at Cornell University to teach physics and physical science. He has also instigated a Sunday night discussion group. Mr. Holstein's classes are using a new book, rather than the previously used CBA course. Mr. Meyer teaches not only Biology I, but also a new Biology II course which has its greatest emphasis on laboratory research.

Richard Hansgen

David Fierke

THE HISTORY DEPARTMENT

Our history department has expanded this year with the addition of Mr. Fierke. He, Mr. Schmidt, and Mr. Wichman teach American and world history. Mr. Heilman, the department head, teaches European history. The two honors courses, American Diplomacy and Western Thought, are taught by Mr. Wichman and Mr. Heilman, respectively. The history department is responsible for having brought speakers to our campus for the political forums this year.

THE LANGUAGE DEPARTMENT

Wayland's language department provides students with facilities of a modern language laboratory. The staff includes Senores Koehne, Monsieur et Madame Sampon, and Mr. Tucker. Fourth year students in Spanish and French have class only once or twice a week in honors courses.

Victor Sampon

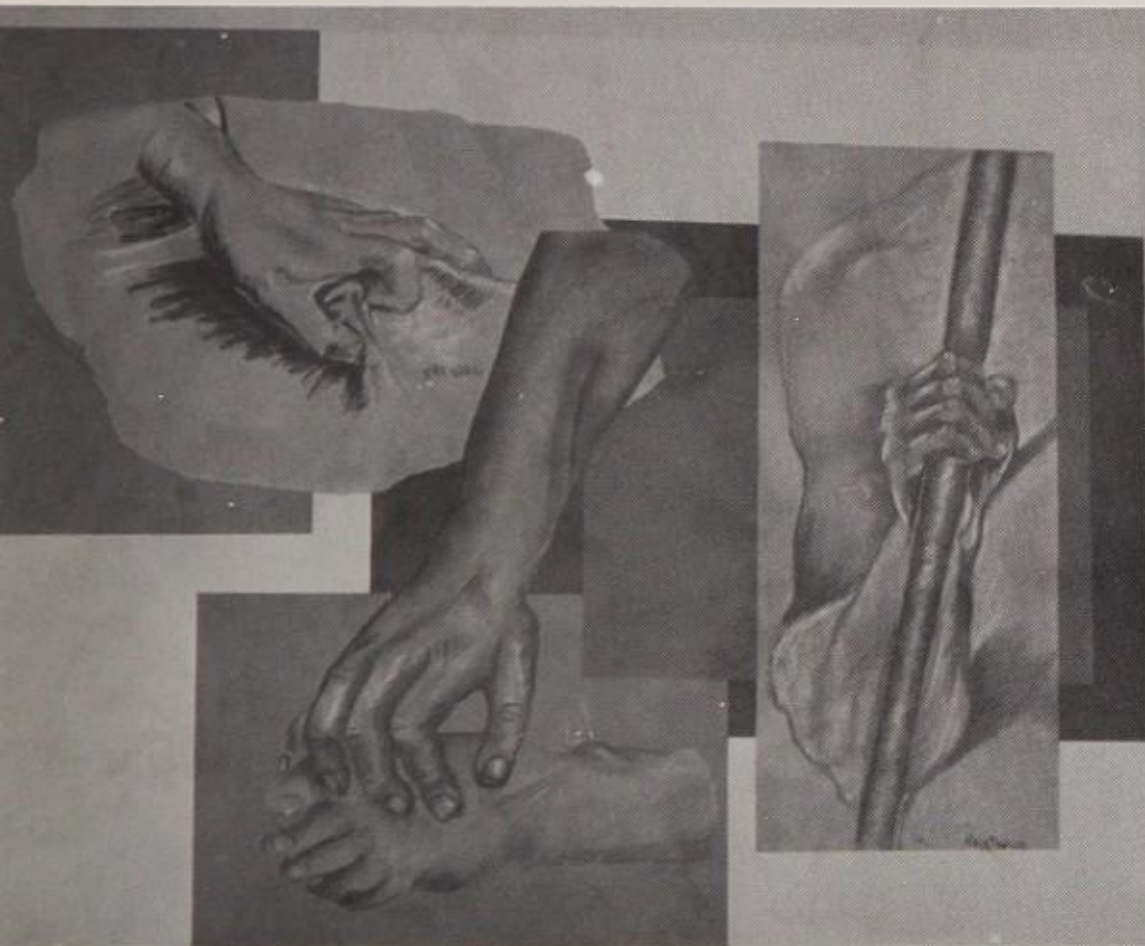

Anne-Marie Sampon

William Koehne

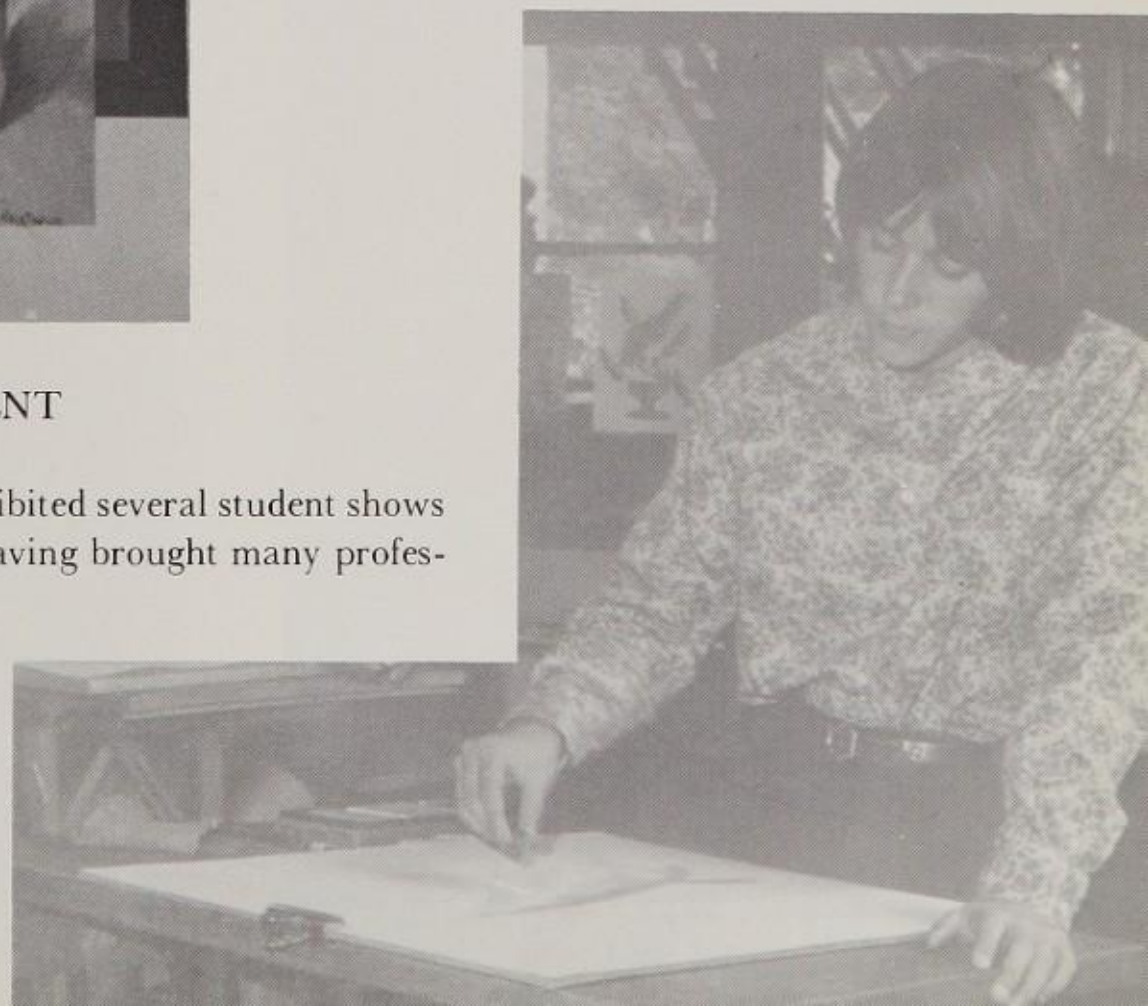

THE ART DEPARTMENT

Mrs. Dohmann and her art department have exhibited several student shows this year. We are grateful to this department for having brought many professional artists to our campus. Several Wayland students have received state-wide recognition in the field of art.

Beverly Dohmann

Franklin Stecker

THE MUSIC DEPARTMENT

Wayland has been fortunate in having had several professional musicians on the campus this year, among them the Milwaukee Symphony Orchestra, the Uni-

Ann Messenger Cothran

versity of Wis. String Quartet, and Leon Bibb. The music department has also provided us with student entertainment in choir, kapelle, string group, piano, and individual voice. Mr. Stecker, Mrs. Koehne, Mrs. Cothran, and Mrs. Kane are doing an outstanding job of bringing the "Sound of Music" to our campus.

CLASS

OF 1967

WE REMEMBER.....

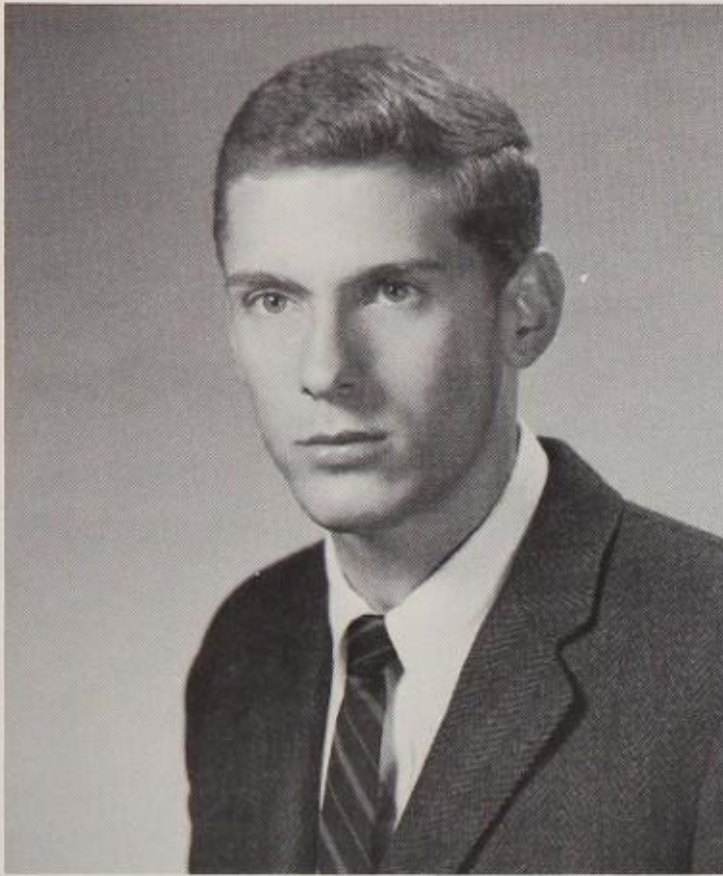

being a member of the coolest class...slaving to finish an analysis of Hamlet's character...tripping over four-foot freshmen...having Tih-Tah to take care of...winning the effigy competition—again...“studying” in the seminar room during night study hall...filling out college applications—and sweating replies...realizing that this is the last year of “zeroing in”...building class unity—at last...missing the great white bird...being hosts and hostesses, with more underclassmen to fold their hands in their laps and smile at us...sitting in the back of the chapel...remembering the dirty ol’ cripple who roamed the campus at 10:35 on Friday and Saturday nights...listening for solemn chords of Pomp and Circumstance...being ourselves....

SPORTS

A black and white photograph of a high school football team. The team consists of 24 players and one coach, arranged in three rows. The front row is seated on a bench, the middle row is kneeling, and the back row is standing. They are wearing dark jerseys with light-colored numbers and light-colored pants. The background shows a grassy field and some trees. The players' jersey numbers in the front row, from left to right, are 62, 31, 60, 74, 73, 50, 72, 15, 44, 20, and 12. The middle row has players with numbers 11, 14, 1, 8, 3, 1, 5, 40, 12, 84, and 12. The back row has players with numbers 11, 14, 1, 8, 3, 1, 5, 40, 12, 84, and 12.

After a lapse of eleven years, Mr. Boya returned to the football coaching staff and with him came the single-wing offense. In the first game Wayland traveled all the way to Greenwood, one of the top small schools in the state, which had been undefeated in three previous games. The polished Greenwood team took advantage of the Redmen's first-game jitters and mistakes and won 25-6 with Rick Flichr scoring for Wayland. A week later the Big Red traveled to nearby Horicon and met the fired up Marshmen. In the first quarter Horicon jumped into the lead but the Redmen then settled down and completely overpowered the Marshmen 26-14. In the next game at Appleton, ball-control resulted in a 13-6 victory for the Red, with Steve Bartell and John Florine scoring T.D.'s. Fox Valley didn't score until the last play of the game against an improving Wayland defense, the result of hard work with Coach John Clay. A week later a strong Northwestern Preps team found that the Redmen were stronger as Wayland won 14-0 with Bartell and Flichr scoring. The next game determined the Midwest Prep Conference Champion. Wayland played their best game, but a disputed safety gave Milwaukee Lutheran a 9-7 lead and subsequent victory. The Redmen came back to roll over Racine Lutheran at Homecoming 33-13. Five Wayland players responded to spirited cheering with touchdowns. The Big Red wrapped up the season by soundly scalping Wis. Lutheran 40-13 in a televised game. Steve Bartell rushed for 235 yards and scored 5 touchdowns in this game as he captured the conference scoring and rushing titles for the season.

Under the direction of Coach Blomberg, the Little Red ran up a 4-2 record to add to last season's record 4-1. Northwestern Preps provided the only obstacle to an undefeated season, beating the Redmen twice. Coach Blomberg pointed out that the team showed great improvement over the season and should add fine ability to the varsity next year. Leading candidates for the varsity are captain Dave Terrell, Steve Griggel, John Meilstrup, Dick Washburn, and Tom Brown.

VARSIITY

The Varsity Redgirls fared only slightly better than the Junior Varsity Team, ending the season with two ties and two losses. Wayland failed to score in the first game against ULS but managed a tie in their next outing against Kemper Hall with a score of 2-2. In their third match, against powerful University School Of Milwaukee, our girls held the wild kittens to three goals but could only muster enough offense for one themselves. Homecoming provided the setting for the Redgirls' last attempt at victory. Dramatically, the game ended in a tie.

Wayland's challenge to Bobbie Hull

JUNIOR VARSITY

The Wayland Girls' Junior Varsity Field Hockey Team had a disappointingly short season this year. Field Hockey is a relative newcomer to the Redgirls' sports agenda. However the girls managed to put out a fine effort as witnessed by the score of the University Lake School game, The Amazons of ULS, infamous for their aggressive style, managed only two goals to the little Redgirls' one. Although our girls didn't score against University School of Milwaukee, they can take pride in having held their opponents to only three.

Our team's on the ball.

Although the Wayland soccer team had a disappointing record this season, there was enthusiastic spirit generated by both players and fans, which can only mean a victorious future for Wayland soccer. The seniors that bolstered the team were Captain Karl Wagenknecht, Chris Wilson, John Ranson, Bob Jones, Steve Hilmer, Don Downs, and Jeff Nathan. The most valuable player was Karl Wagenknecht, and the leading scorer was Bob Jones. Third year award trophies were presented to Karl Wagenknecht and Chris Wilson. Underclassmen prospects show promise for a brighter future in Wayland soccer.

Under the able guidance of Coach Fierke the Little Red steered to an opening game victory over University School of Milwaukee and then went on to post a 2-5-1 record for the year. Bancho Kampanat, Dana Guilian, and Bob Yeomans provided the scoring punch and together with Captain Dave Small, Mike Platt, Bill Cuellar, Mark Leichtle, and Bernie Sullivan, they should add talent and experience to next year's varsity.

Not bad for a starter.

With Ron Blomberg at the helm as basketball coach, Wayland looked forward to a winning season. The Big Red got off to a shaky start against experienced Milwaukee Lutheran, when typical first game mistakes and preposterous shooting resulted in a 68-44 thumping. Although the team showed improvement, they suffered two more defeats before winning a dramatic overtime victory at home. This was Coach Blomberg's 14th overtime win without a loss, and it saw Don Downs dump in 31 pts., and maul the boards for 37 rebounds, a school record. Victories over Northwestern and University School surrounded the Christmas vacation. A quick Edgewood team snapped Wayland's three game winning streak when they outhustled the Redmen in a 78-66 win. Then our cagers took on 5th-rated Whitefish Bay and, down by 45-26 at the half, fought back to within 8 pts. only to lose 75-64. A win in a return match with Fox Valley boosted the Big Red's conference record to 4-2. In one of the highlights of the season, Wayland edged Racine Lutheran, previously undefeated in conference play, 67-66 at home on a basket by Jim Cape with ten seconds left. Wisconsin Lutheran rose up to shatter Wayland's title hopes with a 73-61 victory over the Redmen. The Big Red bounced back with a 78-49 bombing of ULS before falling to a fired up Racine team 68-60. At this point the Redmen took off on a five game winning streak that saw them outclass ULS 82-64, and scalp St. Mary's 94-54. Attempting their third consecutive win, the aroused Red met Concordia at home and found sweet revenge when they jumped off to an early lead and ran up an 89-57 win. In a nonconference clash the Redmen took on neighboring Horicon, the Oshkosh sectional state tournament runner-up. The red and white cagers outrebounded and outhustled the bigger Marshmen, swamping them 84-63. In the final home match of the year, the Redmen defeated a stubborn Northwest Preps team 61-59. A surprising University School team snapped the winning streak at five with a 58-52 upset to close out the regular season. The Big Red posted a 7-5 record in conference for third place behind Milwaukee Lutheran (12-0) and Racine Lutheran (10-2).

For the first game of the tournament, Wayland drew University School and the Big Red blew them off the court 84-63. In the semi-finals the Redmen met eventual champ Milwaukee Lutheran and, playing inspired ball, held the Red Knights to a 39-39 third quarter tie before the opponents ran off ten straight pts. on the way to a 67-56 win.

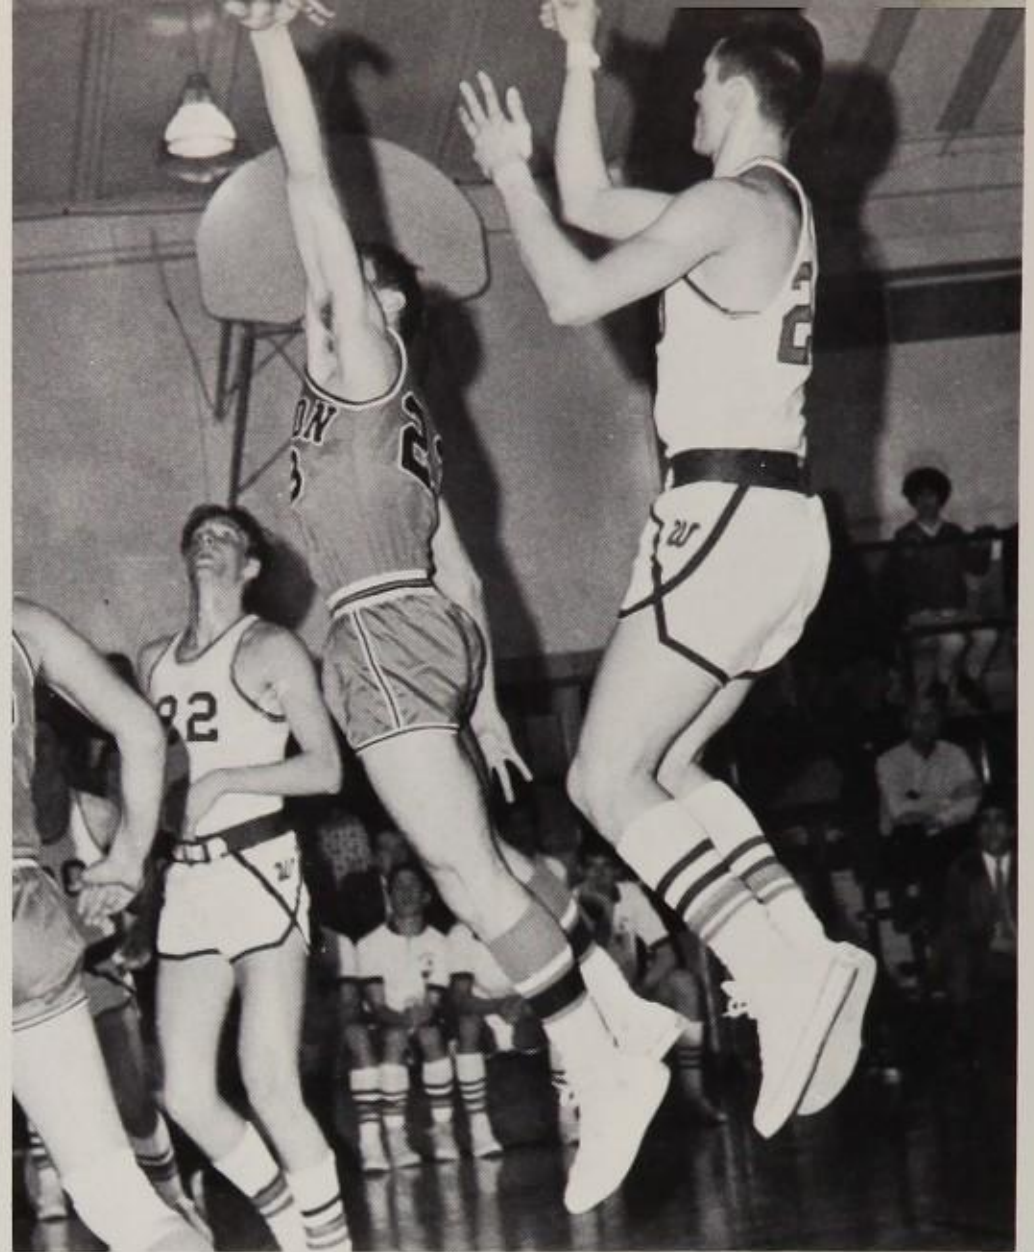

Teammates voted Don Downs captain and most valuable player and conference coaches awarded him a berth on the second team. During his career at Wayland, Don broke nearly every scoring and rebounding record including most pts. in a career with 1092. This season he also won the free throw award and a third year trophy. Brian Lally won the assist award. Fine play by Gil Shrader sparked the team in their late season surge. Letter winners were Downs, Shrader, Mark Saunders, Lally, Cape, Pat Patterson, and Jon Myers. With the loss of only Downs, Shrader, and Saunders, Wayland can look forward to a bright season next year.

Coach Ron Blomberg

Little Red ended up with a winning season under the coaching of David Fierke. The Redmen started out the season with three wins before Concordia marred their winning streak. Later in the season though, the Red had their revenge. One of the more difficult games of the season came against an older more experienced Whitefish Bay team. The Little Red tried, only to lose by one basket in the closing seconds of the game. The Redmen next year will have many returning freshmen and sophomores, although some of the team will be supporting the Varsity.

The match is over, you can let go, Champ

Guided by Coach John Clay, the Wayland wrestling team regained the Midwest Prep Invitational Championship after losing it two years ago. It was a pleasing upset as the Wayland wrestlers defeated co-favored Northwestern Preps and Wisconsin Lutheran in a very close tournament at Watertown. The team accumulated a 7-4 season record and a 5-3 conference record during the year, but the decisive victory came at the invitational.

The season started slow with the Big Red receiving three straight defeats but then marched on to win eight of the last nine meets. In the last dual meet of the season, the grapplers rallied to a big 20-16 over Northwestern Preps, a team they hadn't beaten in two years. With this sweet victory under their belts, the Redmen won the Tournament Title, producing three individual conference champions.

Captain John Florine wiped up the 145 lb. division to cap his fine 10-2-1 performance during the season. Rick Fliehr ran off with the 180 lb. title for the second straight year. Rick, with an impressive undefeated 13-0-0, was elected by his teammates as the most valuable wrestler for the '66-'67 season. Todd Reade, the team's 138 lb. wrestler pulled an upset over several opponents in the Tournament to take the Conference Title in that division. In other weights Bob Pedigo (103) and Pete Radford (112) both lost close matches in the finals to both take second place awards. Both had a fine records 7-3-1 and 10-4-0 respectively for the year. Fred McPherson, having been hampered throughout the season by illness, was able to wrestle in the Tournament taking a strong second place in the 165 lb. weight class. Wrestlers John Sirovy (127) and Hal Courtice (133) placed third. Also, much credit should be given to Bill Oberg and Gordy Neese, who turned in good performances during the season.

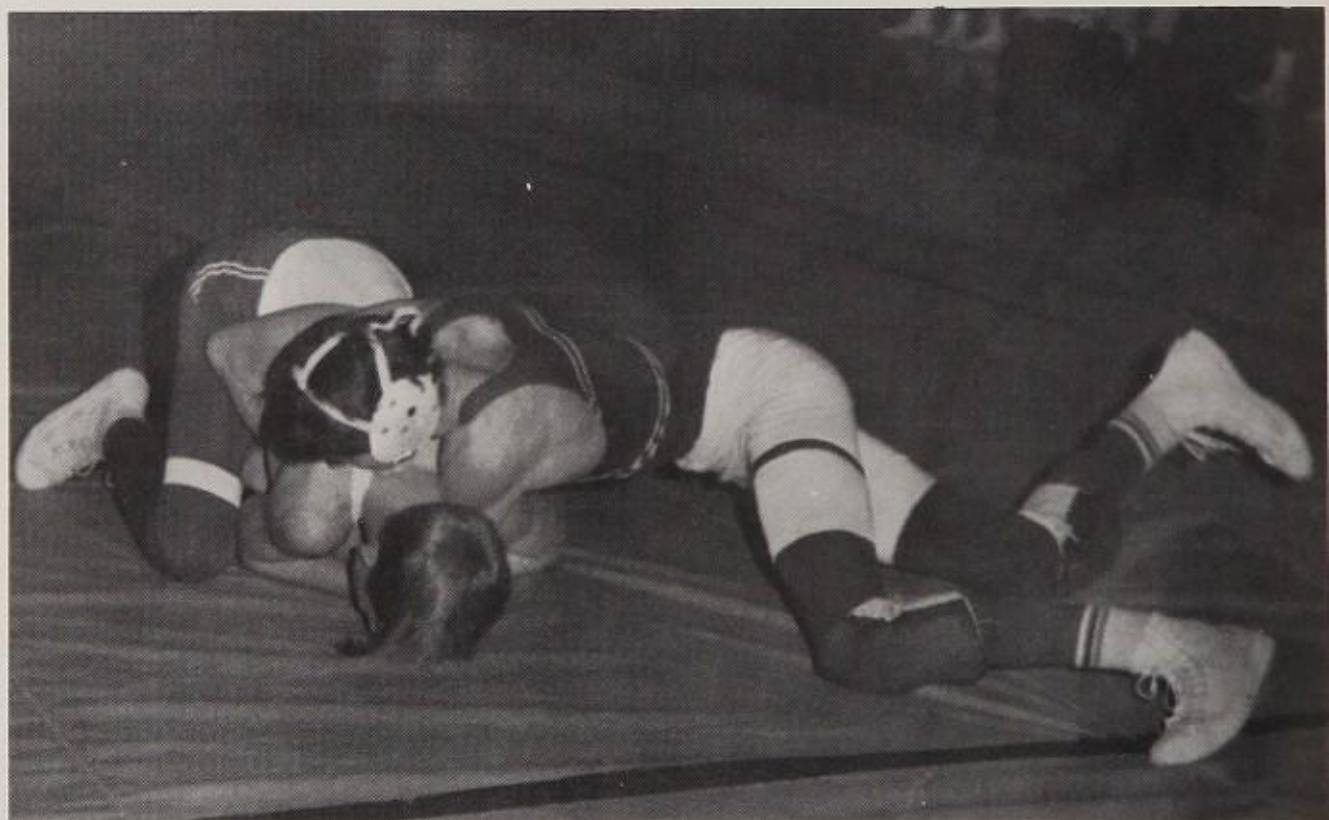

In his first year with the squad, Mr. Clay gave an excellent account on himself as a coach. Through Coach Clay's hard work and determination, the team stuck it out, finally producing the Championship.

Returning letterman Rick Fliehr, Al McNeil, Rick Larsen, Hal Courtice, John Sirovy, Gordy Neese, and Bob Pedigo should provide a strong backbone for next year's team.

SWIMMING

The Wayland Swimmers compiled a 9 to 4 record under the watchful eye of Sol Wolfe and completed the season with a first place in the conference meet. No conference team could compare with the Big Red Mermen. During midseason the Mermen came away with second of four teams in the Gator Relays behind Marquette 68 to 62. In the conference meet, held in the Wayland pool, the closest competitor, University School, had only half as many points. In the Wisconsin State AAU Meet at Waukesha, Coach Wolfe took four boys. Vic Pierce placed second in the 1650 yard free style and second in the 500 yard free style. John Rottman took a first in the 200 yard breast stroke, third in the 200 yard butterfly, and third in the 400 yard individual medley. Kip Peterson finished fourth in the 100 yard back stroke.

Vic Pierce broke school records in the 200 and 400 yard free style and during the year was rated sixth in the state in the 400 yard free style. John Rottman broke the school butterfly record and was rated fourth in the fly and second in the breaststroke in the state swimming honor roll. Kip Peterson was at one time second in the backstroke for state swimmers. Chris Wilson broke the school record in diving. Steve Wagner was selected as captain and most valuable swimmer. Wilson was awarded a three year letter trophy. Departing Seniors who will be missed next year are Chris Wilson, Steve Wagner, Mike Machkovech, Ken Gallenbeck, and Jeff Nathan. But with Vic Pierce, Kip Peterson, John Rottman, Bernie Sullivan, John Meilstrup, Bill Stevens, John Bill, Jim Bender, Greg Meyer, and Jeff Malmgren, returning Coach Wolfe can anticipate another fine season next year.

Swimmers stroke to another victory

Under the superb coaching of Mr. Wolfe, twenty-three girls practiced diligently for three months to form the first Girls' Swim Team at Wayland. While the girls enjoyed their daily dunkings, they had to endure many hardships like wet hair, red eyes, and endless Saturday morning practices. Three home meets were held with the swim clubs from Fond du Lac, Waukesha, and Madison. Also, the mermaids had one away meet at Fond du Lac. Although they did not win a meet, much knowledge in the art of competitive swimming was gained. As all of the swimmers will be eligible next year, the girls' are looking forward to improving their swimming and their record!

The Varsity Girls' Basketball Team broke even with a 2-2 record by scoring an average of 22 points a game. The first loss was suffered in the first game of the season when the Redgirls were beaten by Fond du Lac. The second defeat was at University School of Milwaukee. Wayland was victorious over University Lake School and Oshkosh Freshmen. The highest scorer was senior Kitsy Caldwell with a total of 23 points.

VOLLEYBALL

This year girls' volleyball at Wayland was a very popular sport, as is evident by the fact that thirty-six girls participated in it. Although the girls had only two scheduled games, one with the Fond du Lac Y.W.C.A., and one with the University School of Milwaukee, the large number of girls out for volleyball made it possible to have a well organized intramural program. Since the interest was so great in the sport this year, it is hoped that next year's program will be expanded to allow for more practice time and provide the girls with an opportunity to have a successful season.

The traditional Big-Little Sister Program sponsored by the Y.W.C.A. started the year with a boom. The second big event of the year was an open house at Mrs. Towner's home. Throughout the year, the Y.W.C.A. continued with such projects as a bake sale and a breakfast in bed to raise funds for a Korean War Orphan, a food drive which provided Thanksgiving dinner to a needy Beaver Dam family, and participation in the Halloween UNICEF program. During Brotherhood Month, the Y.W. presented Ruy, an A.F.S. student, who spoke about his native country, Brazil.

The Y.W.C.A. would like to thank Mrs. Towner for her cooperation and wonderful advice throughout the year.

Mr. Schmidt felt that Wayland was in need of an organization of students who would take the responsibility of smiling to strangers. He came up with the answer-the Public Relations Committee-Members of the organization filled such functions as showing prospective students the campus, selling tickets at athletic events, and generally welcoming new-comers to the campus. The platoon system was used, with two teams of students on duty on alternating weeks.

PUBLICATIONS

Under the direction of editor John Ranson and advisor Mr. Sehloff, the journalism class has succeeded in putting out a student paper which lives up to the motto "So Alone." The change in format this year made it possible to put out a paper quite frequently and the staff ended volume #23 with edition #19 at graduation.

Pillars took steps to provide more complete coverage of Student Life, 1966-67 by expanding the yearbook and moving the deadline to post-graduation. Color has also been used for the first time this year. Co-editors Sue Yeager and Michelle Vickery have attempted to involve students and have received cooperation from many.

The staff has dedicated its efforts to the student body in an attempt to publish a yearbook truly representative of '66-'67.

The third Wayland publication, *The Greetings*, is handled entirely by Mr. Sehloff. He has introduced new ideas and creative photography to produce an outstanding alumni magazine.

So Alone

The staffs of both *Pillars* and *Post* wish to take this opportunity to thank Mr. Sehloff for his advice and concern about the *Pillars* and *Post* and each student involved. As head of the Wayland Publications Department he has given us the freedom necessary to make the paper and yearbook representative of the students.

It is difficult to express our appreciation for his faith in us and the inestimable help he has been to us. His confidence in us as competent human beings and his tremendous and infectious vitality have given us the strength and courage to continue when the going got rough and we were ready to toss in the towel.

Words can not begin to express the love and respect for Mr. Sehloff held by all those who have come into contact with him through work in the publications department. Thank you, Mr. Sehloff, from the "gutless" seniors of the pub.

This year's Student Council started off the year two days early, by initiating an on-campus orientation program for all new students. Homecoming soon rolled around and found the council working with the administration to help make the success it was. As fall stretched into winter, more and more of us began to take advantage of the council-supported Lindsay Lounge and recreation area. February brought the conference basketball tournament and a revised Pep Week, events which rallied and united us all with sore throats and that intangible feeling deep down inside about the name of Wayland which no defeat could dampen.

With March came Ice Carnival, with plenty of mud, blueberry pie, and rivalry, but not much ice. Upon returning from a long-awaited spring vacation, the council slackened the tempo a bit and turned to thoughts of next year. June brought final exams and graduation, and culminated a short, but productive year for the Student Council.

Get the babe in the white slip!

The Acolytes

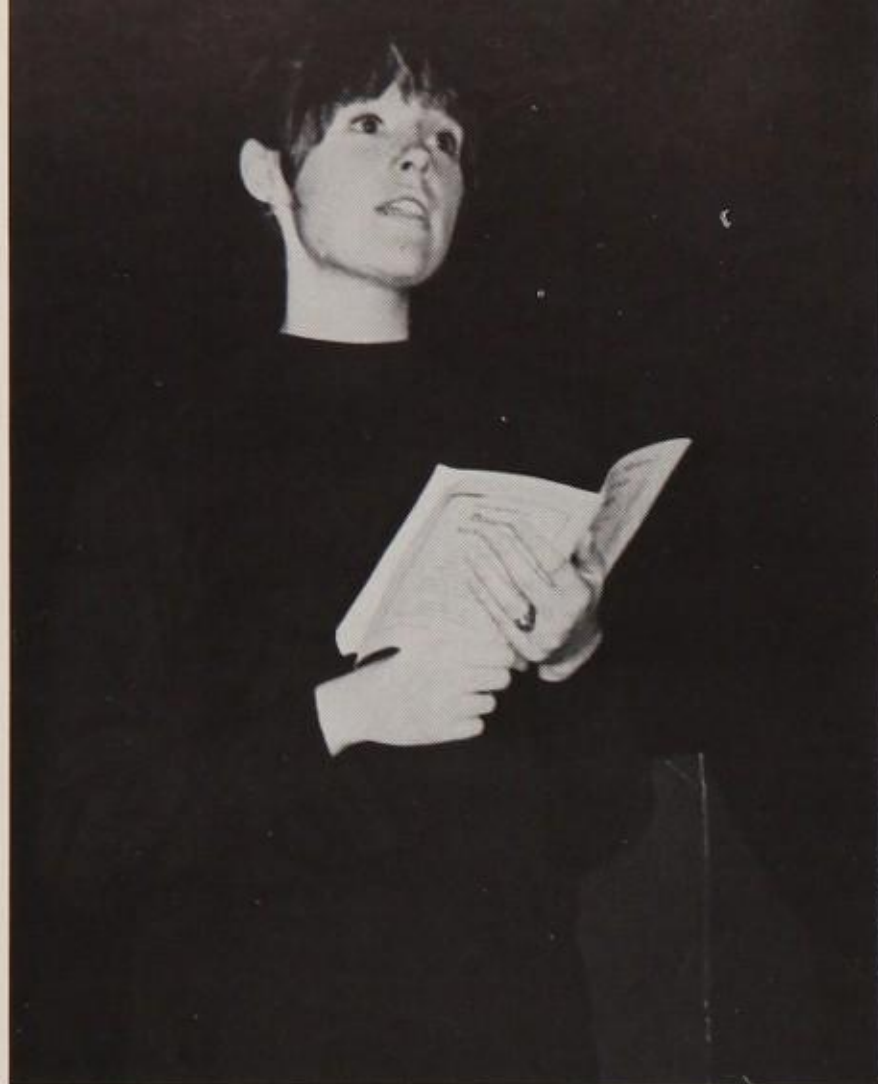

The presentation of *The Red Death* inaugurated the 1966-67 theatre season. This adaptation of Edgar Allen Poe's *The Masque of the Red Death*, involved a cast of fifty students. The creation of a fast moving, yet dramatically significant play was expertly done by the cast. The play also set the mood for future endeavors of the drama department. The principal characters were portrayed by Bob Jones, Chris Stanton, Sue Hiestand, and Bob Shaw.

SPOON RIVER ANTHOLOGY

March 3, 1967

Directed by Mr. William Clark

"I am a mountain; I am the sky;
I am the river; I fly and fly . . ."

The Wayland Players and Folk Singers combined efforts to produce the outstanding production of *Spoon River Anthology*. The cast of six seniors captured and conveyed the characters in professional manner. The haunting music of the Folk Singers created the atmosphere for the reading and introduced supporting ideas and moods through the songs.

The view's great from the floor

The Wayland players ended the 1966-67 drama year with *Malcolm, the Dragon Slayer*, written by Mr. Clark with the music by Mr. Stecker.

After the two previously performed plays, *The Red Death*, and *Spoon River Anthology*, the spring show involved a much larger cast of about sixty students. The star actors were Chris Stanton, performing for his third time this year, and Fred McPherson and Karen Lungerhausen for their second time this year. The technical staff, headed by Kurt Leichtle, together with the talent of the actors created the necessities which constituted a successful production. Three weeks of practice showed progress and introduced many newcomers into the theater in preparation for next year.

In contrast to the previous plays, *Malcolm, the Dragon Slayer*, was a light-hearted musical comedy based on Wayland life with a setting of an English boarding school. There were three opportunities to see this fantastic performance, so there was no excuse for anyone to miss it.

GUEST SPEAKERS

To hear an author read aloud one of his stories is a rare and wonderful experience. Wayland had such an experience during the campus visit of author Harry Mark Petrakis. Along with relating various aspects of Greek mythology in literature and creative writing, Mr. Petrakis awakened students to a new awareness of life.

"A writer, and any sensitive human being, needs compassion and an honest awareness of life . . . Life is a struggle, and we will struggle until we die. Life has strong, fierce standards. If you sell out, you can't expect to put out your best work."

This most stimulating visit of Mr. Petrakis' was made possible by the Wayland Fathers' Organization.

Harry Mark Petrakis

The guest speaker for this fall's Religion in Life Week was Dr. Charles E. Boddie, President of the American Baptist Theological Seminary, Nashville, Tennessee. Dr. Boddie spoke at our chapel services as well as in smaller discussion groups, giving both students and speaker the opportunity to voice their opinions.

"I'm the only person here who adds 'color' and 'Boddie' to the occasion."

"More people in the world have flat noses and kinky hair."

"You is so what you is, and you couldn't be any izzier!"

Charles E. Boddie

Frank M. Coffin

Judge Frank M. Coffin spoke at Wayland about *Freedom and Responsibility*. More specifically, he related freedom and responsibility to politics, foreign affairs, and judicial matters. A discussion panel fired controversial questions, questions for which the judge had quick and complete answers. Brought to the campus by Mr. Towner, the judge later met with student groups to discuss topics of wide interest including the draft, Vietnam, and our military appropriations.

The 1967 Commencement began with beautiful weather for the Baccalaureate service. The Reverend Mr. Robert Middleton spoke of "Rebels with a Cause" in a most thought provoking address. After the service parents and friends could view the senior art exhibit, impressive evidence of artistic talent in the class of '67. The buffet dinner Friday evening was highlighted by a performance by the Symposium. This folk group had just cut a record, SO ALONE, and were promoting the sales. The Wayland Players gave the final performance of *Malcolm, the Dragon Slayer* for parents and guests following the dinner.

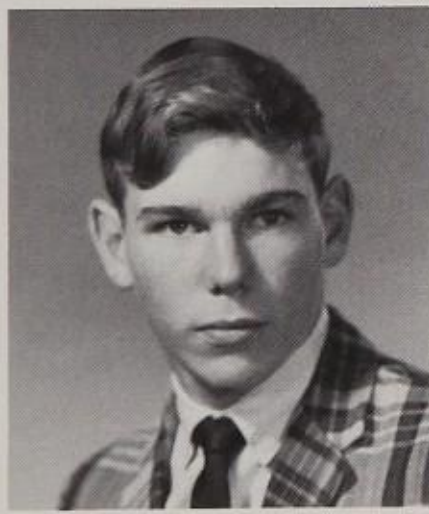

The weather held for the final ceremony on June 3. The solemn chords of "Pomp and Circumstance" began the 112th graduation in the history of Wayland. Following Mr. Towner's fine address on the "Four Marks of Maturity," Mr. Patterson made the presentation of the major senior awards. The diplomas were soon given and the tassels moved from left to right. Mr. Patterson's final farewell sent a "class of individuals" out on their own.
